### Activity

Have Ss bring toy animals to class. Review the animals' names and put them into a bag. Have Ss stand in a circle and play the music. Ss sing and pass the bag around the circle. Call **Stop!** The student who is holding the bag takes out an animal without looking. He/She

tries to guess what the animal is. For example, S1 feels his/her animal and asks the class **Is this a (cat)?** The class answers truthfully **Yes, it is./No, it isn't.** If S1 is incorrect, he/she can try again. Repeat until all Ss have guessed an animal.
